Conserving Now, Preserving Future
AF AT A GLANCE

✓ 462 M $ allocated in 58 countries: 17 SIDS and 28 LDCs.

✓ 70 concrete adaptation projects/programs.
AF INVESTMENTS BY REGION

- 70 concrete projects:
  - 41 implemented by MIEs
  - 24 implemented by NIEs
  - 5 implemented by RIEs
The Fund gives freedom to country governments to decide on the priority sectors and regions to select in their projects/programmes.
AF STRATEGY TO FOSTER CCA

- **Innovation**: champion and scale-up innovative approaches to adaptation;
- **Action**: support the design of high quality/model projects showcasing best practices aimed to strengthen resilience;
- **Learning and Sharing**: enhancing the technical support to project-level learning processes, fostering strategic partnerships with knowledge institutions.
AF STRATEGY TO FOSTER CCA

- Cross cutting themes pivotal for fostering resilient livelihoods:
  - Empowering the most vulnerable communities and social groups;
  - Gender equality and women and girls’ empowerment;
  - Strengthening long-term institutional capacity for effective adaptation;
  - Complementarity and coherence with other climate finance delivery channels.
